Re: PITT OHIO Copyright/Trademark Infringement

Dear Sir or Madam:

We are legal counsel to Pitt Ohio. As detailed in the attached exchange between your company and Tiffany Schneider from Pitt Ohio, you have engaged in a course of conduct which gives rise to an infringement of Pitt Ohio's trademarks and copyrights.

We hereby demand that you cease and desist from any further action which infringes upon the Pitt Ohio trademarks and copyrights. In addition, we demand that you provide us with the following within 10 days of your receipt of this letter:

- The names, addresses, and other identifying information of all individuals or entities who designed the infringing materials and/or who engaged you to produce them and sell them through the teechip.com site or otherwise.
- The names, addresses, and other identifying information of all individuals or entities who purchased the infringing materials through the teechip.com site or otherwise.
- The number of items produced by you which infringe upon the Pitt Ohio trademarks and copyrights, broken down by type, i.e. tee shirts, hoodies, etc.
- The number and location of all infringing materials which remain in your possession.

Burns White
A Limited Liability Company

- A full accounting of all sales made by you of the infringing materials.
- Payment to Pitt Ohio of all funds received by you from sales of the infringing materials.
- A list of all online sites and physical locations through which you have marketed and/or sold the infringing materials together with copies of all marketing and sales materials developed by you or others to market and sell those materials.
- Written confirmation that you have removed all pictures of, or links to, the infringing materials from your site.
- Written assurances that you have ceased producing, selling, storing, posting pictures of, or providing links to the infringing materials and that you will desist from engaging in any further conduct which infringes on Pitt Ohio's trademarks and copyrights.

Once we receive the requested items and information, we will advise you whether any further action on your part is necessary. If you refuse to provide the requested items and information within the stated time frame, or if we cannot promptly and completely resolve this situation after you have provided the requested items and information, Pitt Ohio intends to seek the full measure of damages and other relief available to it under all applicable legal standards.

Thank you for anticipated timely response.

This is our third request with three different cases with your company. The two cases we had against you in the past, were deleted on our website. However your teechip brand is creating Facebook pages to advertise our unauthorized brand. The last case is still on Facebook along with a new one we found yesterday 5/31/16. We have reported these pages to Facebook. Below is the new Tee Shirt design and Facebook we found yesterday. This breaks our Copyright, Brand and Social Media Policy. THIS NEEDS TO BE REMOVED ASAP. We are filing another DNC Takedown.

Hello,

We noticed this page has been created again. This breaks our Copyright, Brand and Social Media Policy. THIS NEEDS TO BE REMOVED ASAP! I spoke with Noah in Sales Department, He stated that I needed to send an email and file a DNC Takedown. He verified that this would be removed ASAP. He stated there was 2 new orders for this shirt but could not tell me who purchased them, he stated once I sent them email they would be cancelled.

Hello,

Per my conversation with David, please remove the Facebook page and order page below. This breaks our Copyright, Brand and Social Media Policy. Per my conversation with David, I was told this would take 2 – 3 days to remove. I would ask that this be removed sooner. Please reply back with conformation that this was taken down.
